Dear Anushka,

I am fine and I hope you are also fine there. I am Shikha Pandey of 10<sup>th</sup>. You know I felt so excited to write a letter to you. I have a good or vivid memory of Shillong, when I visited Shillong along with my parents in June 2018. It is very nice place to live in. I hope that I get another chance to visit Meghalaya (the Switzerland of east) soon.

Our school Periodic Test have not started yet but will be started in first week of September 21. What about your exam? When are they planned. I hope you are aware about the changed exam pattern and exam schedule. My hobbies are playing basketball and listening music. I would like to know about your hobbies. How you get time to pursue your hobbies in this covid times. I will be eagerly waiting for your reply. Hoping that you stay happy, healthy and energetic.

Sincerely yours,

Dear Sarth,

I am fine and I hope this letter finds you well, and that you are having a great day. I am Shubodeep from class 10.

I received your letter yesterday and was very glad to go through it. Since this is all something which we are experiencing for the first time. But this pen-pal under EBSB promotes us a chance to know each other and to spread our messages to each other.

Other than that, I am grateful that I am able to give time myself in this difficult time your lockdown period passed and how you dealt with it?

My hobby is to learn coding (i.e. web-development) and my favourite subject is Mathematics. My favourite indoor sports is playing Carrom. What is your favourite indoor sport? During spare time I would like to write with my both hands. Hope you will reply soon.

Yours friendly,  
Shubodeep Nath.
