

KENDRIYA VIDYALYA AFS MEMAURA, LUCKNOW

GUIDANCE AND COUNSELLING

The guidance and counselling services are extended to students as and when required. During the months of April, May and June the students were guided under the programme called Tarunotsav for different streams that they wanted to choose and the career options available in these fields. Likewise, needy students for counselling and guidance are identified and provided appropriate counselling for their growth as well as their mental and physical wellness.
