MESSAGE FROM DEPUTY COMMISSIONER'S DESK

We are living in a world which is opening new avenues every passing day. To match pace with this rapid change, we, as educators, need to be prompt in adapting latest trends to cater to the modern needs. We must create an ambience which nurtures the latent talent of our future generations. School education lays the foundation of a successful society and onus lies upon us to excel in our endeavours to pave the path.

However, this is a long strenuous journey which requires motivation, indefatigable effort and perseverance to accomplish our goals. I am glad and feel privileged to have a team which works with great zeal and enthusiasm and makes every goal attainable. The enormity of the task could never wane their indomitable spirit. On the contrary, every new challenge motivated them to toil harder and exert themselves to attain newer heights.

Nurturing a vibrant ambience in the schools and maintaining a learning environment are the key elements in achieving our coveted goal of universal quality educations. This great challenge could never be accomplished without concerted efforts of the leaders of various Vidyalayas of Lucknow Region, the Principals who not only Provide and looking after the basic infrastructural needs of students but also pilot a squad of highly talented teachers and ensure a pro-active participation of all the stake-holders, viz. students, parents, etc.

As we are familiar that Kendriya Vidyalaya Sangathan takes pride in providing quality education to the students, I am confident that with the combined efforts of our dedicated team members and with the blessings of our patrons we will continue to evolve and reach the pinnacle of success. The increasing challenge of training young minds will not be able to daunt our spirit and we will leave no stone unturned to ensure physical, mental, social, cultural and spiritual development of budding citizens of India.

MESSAGE FROM PRINCIPAL'S DESK

We believe in a joyful experiential learning system wherein, each child is encouraged to participate wholeheartedly! At Kendriya Vidyalaya, AFS, Memaura, we leave no stone unturned to offer multitudes of opportunities to our children; it is for them to make most of it. Children should be motivated to grab every opportunity that comes their way which would not only help in their holistic growth but also strengthen their belief in teamwork, which is important in this fast-paced world.

They need to understand the importance of emotional balance, critical thinking, and most importantly accepting failure graciously. It is our strife to endow them with all these qualities and more. We believe in empowering our children in such a manner that they act as representatives of a meaningful and value-based society! Our pedagogy which is holistic and comprehensive complements this. We have a team of fabulous teachers who display boundless energy and intense commitment which keeps the ethos of our school shining brightly. Each morning, we are born again. What matters the most is whether we have given our best today. As our team believe in doing the work with the intention and not because of compulsion.
